SHERIFF EDWARD N. BONNER RELEASES THE FOLLOWING:

Acting on information received on December 1, a search was conducted in an area known as "The Diggings" in Dutch Flat.

Placer County Sheriff's detectives received information from an unnamed source at about 7 PM on December 1. The information provided was specific enough that detectives believed it was credible. At 8:30 this morning, the Placer County Search and Rescue Unit along with Search and Rescue personnel and equipment from Sacramento, Nevada, and El Dorado counties, began to search "The Diggings" area near Dutch Flat. Fifty personnel and several dogs participated in the search. Nothing remarkable was found and the search will continue on Saturday, December 3.

The area being searched consists of wooded and steep terrain as well as flat clearings. The area was once a hard rock and hydraulic mining area.
